

Guide for Authors

Manuscripts submitted for publication should be of high academic merit and are accepted on condition that they are contributed solely to the Journal of Agricultural Production. Submission of a multi-authored manuscript implies the consent of all the participating authors. All manuscripts considered for publication will be peer-reviewed by at least 2 independent referees.

Submission checklist

Manuscripts submission must include title page, abstract, keyword, text, tables, figures, acknowledgements, reference list and appendices (if necessary). The title page of this file should include the title of the article, full name, official name and affiliations of all authors and E-mail address for corresponding author. The total manuscript should not exceed 10 pages.

Preparation of the manuscript

All manuscripts submission for publication in the journal should followed the following guidelines:

1. Manuscript texts must be written using high-quality language. For non-native English language authors, the article should be proof-read by a language specialist before submission.
2. The manuscript text, tables and figures should be created using Microsoft Word.
3. If possible, all text throughout the manuscript should be used 15 pt ~TH SarabunPSK except the title topic using 16-pt, otherwise, Browallia new would be replaced.
4. Manuscript texts should be prepared as single column, with sufficient margin (2.5 centimeters for each side).
5. Abstract should not exceed than 300 words and provide only 4 key-words for each manuscript.
6. All measurement in the text should be reported in abbreviation, using metric system.
7. Tables and figures should each be numbered consecutively.
8. Acknowledgments should be as brief as possible, in a separate section before the references.
9. Citations of published literature in the text should be given in the form of author and year in parentheses; (Pawin *et al.*, 2012) or if the name forms part of a sentence, it should be followed by the year in parentheses; Pawin *et al.*

(2012). All references mentioned in the reference list must be cited in the text, and vice versa. The reference list at the end of the manuscript should be listed alphabetically. The following are examples of reference writing.
